

Health and Safety Protocols

What are the policies surrounding Covid-19?

As the COVID-19 pandemic continues, the health, safety and well-being of our attendees and team members is our No. 1 priority. We will continue to monitor and update safety precautions for the 2022 **accesso** Client Seminar, following guidance from the [U.S. Centers for Disease Control and Prevention](#) and coordinating with the hotels and venues hosting our event.

accesso encourages participants of its 2022 Client Seminar to be vaccinated, but it is not a requirement to attend the event. Event attendees will be expected to wear an appropriate face covering while indoors or in the case that appropriate physical distancing is not possible; complimentary masks will be available for those that need one. Appropriate physical distancing and frequent hand washing will be strongly encouraged of all attendees.

Please see [the Marriott International website](#) for an overview of Westin Peachtree Plaza's cleaning, sanitization and physical distancing policies.

We have partnered with Protecht to offer its FanShield insurance protection for your 2022 **accesso** Client Seminar ticket purchase, which would protect your investment should you need to cancel last minute*. **Please note that if Ticket Guardian insurance is not selected at the time of your purchase, your ticket will not be refundable for any reason.**

By registering for and attending the 2022 **accesso** Client Seminar, attendees agree to abide by and engage in the health and safety guidelines outlined. These guidelines are subject to change based on federal and local health and safety policies.

****Please note:** As of February 2022, Protecht FanShield insurance does not cover last-minute cancellations resulting from a ticketholder falling ill with COVID-19. Disclosure of COVID-19 diagnosis will result in a claim denial. Please see the [list of incidents](#) covered by Protecht's Fanshield insurance product and check out [Protecht's FAQs](#) for more information.*
